Higher Superstition: The Academic Left and Its Quarrels with Science Paul R. Gross, Norman Levitt
With the emergence of "cultural studies" and the blurring of once-clear academic boundaries, scholars are turning to subjects far outside their traditional disciplines and areas of expertise. In *Higher Superstition* scientists Paul Gross and Norman Levitt raise serious questions about the growing criticism of science by humanists and social scientists on the "academic left" This paperback edition of *Higher Superstition* includes a new afterword by the authors.
