Jillian, depressed after not getting her much-awaited promotion at work, wants to get away from it all and start anew in a fresh environment. She goes to The Lakefront Ranch, expecting to fill in a high-paying managerial position with free board and lodging, but was terribly shocked upon finding out that the old ranch owner was actually looking forward to her coming — as his wife!

Apparently, there had been a mix-up at the agency. Now she's forced to work there to pay off the down payment he'd previously sent, which she thought had been a bonus. To make matters even worse, she meets the owner's son, gorgeous cowboy Jake who happens to be the college ex who had broken her heart many years ago.

Is it just a coincidence or are they really destined to be together? Will Jillian be able to resist Jake's charms this time around or will she fall for him all over again despite the painful scars he'd left on her heart?
