Raoul Wallenberg in Budapest: Myth, History and Holocaust Paul A. Levine

Paul Levine presents here for the first time the true history of Raoul Wallenberg, one of the most-famous heroes of the Holocaust. It is the first scholarly study of Wallenberg and Swedish diplomacy in Budapest during the Holocaust which both utilizes and contextualizes those Swedish diplomatic documents which best describe his historic mission. Analysing Wallenberg's own correspondence and reports, it provides a new insight into his motives and background. The study explores and deconstructs the many myths which have enveloped his morally important and heroic story. Together, the two strands of the study explain what Wallenberg did to assist and save many thousands of Jews in Budapest.
