*April in San Francisco may be all about layers, but it also marks one year since the stylish Rita Jewell began working at Dolce's, an upscale boutique catering to the city's trendy socialites. And while it may seem like a glamorous world, someone's about to get ugly...*

Things have been less than pretty for Rita lately. There's her lackluster love life. Then Dolce hires a new salesgirl. Fast-talking fashionista Vienna Fairchild is young, confident, and horribly entitled. She's rearranged the store and relegates Rita to answering her phone—and the men are ringing for Vienna as though it were going out of style. Lucky for Rita, Dolce has tickets to a charity bachelor auction—but what to wear?

While Rita opts for something simple, Vienna stuns the crowd in a breathtaking black dress with a pink bow on the back. Rita is even more stunned when she sees Vienna in that same dress the following day—dead on the sales floor of Dolce's. With Rita's fingerprints all over the scene and a believable motive, she's going to need to find some clues and throw together the perfect outfit that says: "I'm innocent."

Do you want to try this extraordinary paying spare time activity?

#### James Johnson:

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just little students that has reading's soul or real their passion. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this

Died with a Bow (An Accessories Mystery) can make you experience more interested to read.
