Wrap yourself up in a smoking-hot bear shifter romance this Christmas!

Every winter sexy bear shifter Brock Fletcher runs a Christmas-tree store with his uncle Granger and cousin Riley.

Despite his smoldering looks and charismatic personality, Brock hasn't found a mate because a girl named Madison stole his heart many years earlier, before she left town for good.

So, when Madison walks into his store one day, Brock couldn't be more shocked – especially when she tells him that she's come back to live in Misty Hollow.

Determined not to let her slip through his fingers again, he tracks her down at the town's Christmas parade. But before he has time to find out if she's single, her niece goes missing in the mountains. The three bears are the only ones capable of looking for her in the middle of a blizzard, and they don't hesitate to go on a hunt.

Will they find her in time, and will Christmas work its magic on Brock, Madison and their relatives, helping them all to find their perfect match?

A sweet, sexy and heartwarming story about celebration, the value of family, and never forgetting about the one you love. A perfect read for the holidays!
