## **The Call of the Crown (The Dragon Oracles Book 1) T.J. Garrett**

Bloody battles had forged the land of Moyathair until a hard-won victory bought a fragile peace. Sure of their superiority, and with the dragons gone, her citizens soon forget the price of freedom. Complacency prevails where vigilance once reigned.

While her citizens prosper, Moyathair's enemies simmer with resentment. Now, hidden from the young king, the Witch of Eiras has gathered an army bent on bloody revenge.

In an isolated corner of Moyathair, Gialyn Re'adh knows nothing of witches, kings or dragons. However, a simple journey will see Gialyn and his friends caught up in the witch's plans. Their path leads to many adventures on an epic journey that threatens to change them as much as it changes their world.
