Can't You Talk Louder God Steve Schultz

How many times have you felt God is trying to speak to you and yet you feel like you're hearing nothing? Who hasn't asked, God, can't you talk louder? I just want to know what to do!" The reality is that all of God's sheep, in every denomination, already hear God's voice-every day! Elijah List Founder Steve Shultz uncovers the many Scriptures "hidden in plain sight," as he likes to say. These clear, yet often forgotten passages, contain easy answers to the questions you've asked, or wish you could ask, about hearing God's voice. In *Can't You Talk Louder, God?*, Steve answers practical questions such as: What does God's voice actually sound like? How do I know if I'm hearing God or if it's my own thoughts? Does God speak through the Bible-or only teach? How do I know if a word I give or receive is from God? How does Christian dream interpretation and the prophetic differ from what psychics do?
