Honestly: Really Living What We Say We Believe Johnnie Moore

Johnnie Moore, vice president and campus pastor of Liberty University, inspires readers with an enthusiastic challenge to live out fully what they say they believe as Christians.

In his uniquely confessional tone, Johnnie takes readers on a journey of belief from the hilltop home of the Dalai Lama to a mass grave of more than 250,000 people in Rwanda. He dares to address the doubts and challenges that have turned many well-intentioned Christians into hypocrites. Like a good pastor, Moore helps heal the wounds he opens, and he leaves his reader with one curious question, "What could happen if the world's Christians actually began to live what they say they believe?"
