Construction Project Management, 3rd Edition S. Keoki Sears, Glenn A. Sears

Presents a detailed treatment of a comprehensive management system for the control of field construction. With an emphasis on applications and practical aspects, it discusses the management control of project planning, time, cost, resources and finance using simple, thoroughly tested principles. Fully updated for the '90s, the Third Edition places greater emphasis on computers and their impact on the management of construction projects and on the use of network techniques to control projects and settle disputes.
