Radiant Girl Andrea White

A girl's 11th birthday always brings big changes to her world, but for Katya Dubko, it is truly the end of the world as she knows it. In the northern Ukraine, an area of dense forests, abundant wild life, and sparkling rivers, Katya's little village of Yanov has been a fairytale home. Her family life is rich with ancient traditions and magical beliefs, and her father has a good job working for the government at the Chernobyl Nuclear Power Station, a complex bigger than her whole village.

Steeped in the imagery of her people, Katya believes that the station is a magical factory, and she looks for men in white robes, the angels she has heard push buttons to create electricity. When she asks her father about the station, he reassures her that it is safe: "so safe I would let you and Mama sleep there. I'd let a baby sleep there." Yet when Katya is sent into the forest to play while her family prepares her birthday dinner, she meets Vasyi, a mysterious otherworldly boy who tells her the agonizing truth: her world will be destroyed in an explosion. What is she to believe?

On April 26, 1986, the Chernobyl Nuclear Power Plant exploded, and the Soviet government refused to acknowledge the extent of the disaster. As Katya struggles to survive in the aftermath, Vasyi reenters her life and helps her to realize that there can be no healing without truth, however difficult it may be to face. As she reconnects with her friends from before the explosion, she begins to learn more about the scientific concepts that have changed their world, and she discovers that blind patriotism like her father's can be the undoing of a country as well as a man. With the help of friends she could have never imagined in her old life, Katya begins to understand that the things that are most important about her homeland and herself have survived the disaster. Combining the mythological truths of her ancestors with an understanding of the science behind the Chernobyl explosion, Katya finds the strength to fulfill a promise she made to herself many years before. And from her new vantage point she realizes that she is no longer the little girl in the fairy tale, she has become the author of her own story.

Radiant Girl weaves history, fantasy, photographs and illustrations together to create a fictional coming of age tale that offers readers insight on surviving the powerful forces of change that rock their own lives, both from within and without.

From reader reviews:

Jeraldine Thurman:

With other case, little persons like to read book Radiant Girl. You can choose the best book if you want reading a book. Providing we know about how is important some sort of book Radiant Girl. You can add expertise and of course you can around the world by a book. Absolutely right, simply because from book you can know everything! From your country until eventually foreign or abroad you will find yourself known. About simple thing until wonderful thing you could know that. In this era, we could open a book or even searching by internet unit. It is called e-book. You may use it when you feel bored stiff to go to the library. Let's study.

Jeffrey Drake:

A lot of people always spent their particular free time to vacation as well as go to the outside with them loved ones or their friend. Were you aware? Many a lot of people spent they will free time just watching TV, as well as playing video games all day long. If you want to try to find a new activity this is look different you can read some sort of book. It is really fun for yourself. If you enjoy the book which you read you can spent all day long to reading a guide. The book Radiant Girl it is extremely good to read. There are a lot of folks that recommended this book. They were enjoying reading this book. If you did not have enough space to develop this book you can buy often the e-book. You can m0ore quickly to read this book out of your smart phone. The price is not too costly but this book has high quality.

Lisa Martin:

Reading can called mind hangout, why? Because if you are reading a book especially book entitled Radiant Girl your head will drift away trough every dimension, wandering in most aspect that maybe mysterious for but surely can be your mind friends. Imaging every word written in a publication then become one type conclusion and explanation this maybe you never get just before. The Radiant Girl giving you a different experience more than blown away the mind but also giving you useful info for your better life with this era. So now let us explain to you the relaxing pattern is your body and mind will likely be pleased when you are finished studying it, like winning an activity. Do you want to try this extraordinary paying spare time activity?

Ronald Malone:

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Radiant Girl can make you truly feel more interested to read.
