The Role of the Mental Health Nurse (Mental Health Nursing & the Community)

The Role of the Mental Health Nurse (Mental Health Nursing & the Community)

This title examines the various roles of the Mental Health nurse in relation to their clients and colleagues, within the context of their health care organisation. Case studies are used to illustrate and inspire good, innovative practice. It allows Mental Health nurses to compare their role with other health professionals and create a positive perception of their own professional focus.
